A Message from the new Executive Director

Dear GMHA Community,

I am excited and honored to introduce myself as the new Executive Director of the Geauga Metropolitan Housing Authority.

Over the coming months, my priorities are vast, but my commitment to you is steadfast: to listen, learn, and build relationships. GMHA exists to serve our residents, and I want to hear from you.

I am committed to fostering open communication and strengthening resident engagement-whether you've been a part of one of our housing programs for many years or recently joined, your voice matters.

Resident Priority- GMHA Resident Engagement Committee (G-REC)

I am seeking residents who may be interested in serving on a new GMHA Resident Engagement Committee (G-REC). This group will help provide resident feedback, identify community activities, and meet four times per year to collaboratively discuss ways for residents to get involved.

If you are interested in learning more or serving on the G-REC, please scan the QR code and complete the interest form or contact our office.

Join Me for a Resident Listening Session

I will also be hosting a resident listening session at the GMHA Center Street Office or by phone as an option for individuals who cannot travel to the office. These informal gatherings are an opportunity for residents to share ideas and ask questions. Slots will be available in 10-minute increments and will require RSVP-- they will be held throughout the day on **Friday, August 21st**.

If you would like to RSVP for a 10 minute slot, please call **440-286-7413 ext.100** to access available times.

With enthusiasm and excitement for the future,

Dr. Anna Ball
